## Edward Peck Memorial Scholarship Fund Donation

ASHME awards annual scholarships in the engineering field through the Edward Peck Memorial Fund. Two scholarships in the amount of \$500 each are awarded annually through the University of Alaska system.

Mr. Peck was a PE here in Alaska and was involved in a number of significant projects throughout the state relating to healthcare facilities. He was also Past President of ASHME. Ed's untimely death in 2012 was a loss to our organization and the local healthcare community. We honor his memory through this Fund.

Donations can be made online at [www.ashme.org](http://www.ashme.org) by following the scholarship link, or by mail to the address above.
