Alaska Society of Healthcare Managers and Engineers, 200 W. 34th Ave., #1076, Anchorage, AK 99503

HISTORY

The Alaska Chapter of Healthcare Managers and Engineers was founded at our first annual meeting the fall of 2000 in Anchorage. ASHME is affiliated with the American Society for Healthcare Engineering.

PURPOSE

The purpose of this Society is to promote the education, interchange of ideas, and experiences relevant to the field of healthcare facilities management and operations. The association is nonpolitical, non-sectarian and noncommercial.

Healthcare Organization Membership in ASHME is an invaluable resource to all persons associated with hospital engineering, plant operations, maintenance and biomedical/clinical engineering, and safety & emergency management.

MEETINGS

ASHME conducts one educational meeting annually. The annual meeting is held in Anchorage, Alaska.

BENEFITS OF MEMBERSHIP

- Education in management and technical issues involved in the healthcare field.
- Keeping abreast of current issues on codes, TJC requirements, planning, design and construction needs, and other regulations.
- Personal connections with other healthcare facility engineers and services in the state for support.

MEMBERSHIP

Healthcare Organization Membership is offered only to employees of healthcare providers. This is to encourage additional participation within the healthcare community and provides voting membership for up to 10 employees. Annual dues are \$150, which includes 10 employees. Additional employees may be added at a discounted rate of \$25 per person.

Dues can be paid by check submitted with this application, or you may visit the website (www.ashme.org) and pay by PayPal. If paying online, application form can be mailed to the address below, or can be scanned and e-mailed to Membership@ashme.org.

ED PECK MEMORIAL SCHOLARSHIP

Annually ASHME awards a scholarship for further education in the engineering field.
